A black and white cartoon illustration depicting a chaotic scene on a roof. In the foreground, a young man in a 'COLLEGE' t-shirt and plaid shorts holds a flag that says 'ICA'. To his right, another person is falling off a motorcycle, with a third person nearby holding a flag that says 'SIG-EP'. The background shows a wooden roof structure with debris and a small figure in the distance.

IGA

The Inter Greek Association at Buffalo State presently consisting of three fraternities, three sororities, and two little sisters organizations, has now placed itself as one of the top and most important organizations on campus. As the Greek System continues to grow stronger, IGA has pushed its way up the ladder along with everyone's help. IGA boasts campus leaders in the areas of student government, sports, and academics.

PHI KAPPA SIGMA

The Gamma Alpha chapters of Phi Kappa Sigma is a brotherhood of gentlemen. Phi Kappa promotes good fellowship and cultivation of social virtues among their members.

Phi Kappa Sigma works with the community such as: Children's Hospital, United Way, St. Luke's Nursing Home. Phi Kappa is a intergrated fraternity of men.

Greetings most honorable brothers of Phi Kappa Sigma.

The brothers of Sigma Phi Epsilon, known as Pooh Bears to most, are constantly striving for pride through excellence. They've come a long way since that day. The New York ETA chapter was founded April 7th, 1979. Sigma Phi Epsilon is currently the second largest fraternity in the country. Fraternities and sororities are quality rated each year by the independent college survey bureau. Sig-Eps nationwide have consistently been ranked by their peers among the top half of fraternities on their campuses. Here at Buffalo State College, the New York ETA Sig-Ep chapter has ranked number one for the past four years. New York ETA has worked hard to achieve this position on campus, however. Academics is not all that they strive for. Campus participation is something Sig-Eps look forward to. When it comes to the beer blasts, blood drives and homecoming parade float competitions, Sigma Phi Epsilon has been there giving it their very best. This just proves Sigma Phi Epsilon is one prime example of having fun and working together towards a common cause.

ALPHA SIGMA TAU

Alpha Sigma Tau, Buffalo State's largest sorority, has much to offer. Diversity, friendship, academic achievement, and social expansion are just some of AST's attributes. Founded in 1899 in Ypsilanti, Michigan, Alpha Sigma Tau moved on the Buffalo State campus in 1924. The Sigma Chapter grew and expanded until 1958 when all sororities and fraternities were banned by the New York State Legislature. In 1979, when the law was lifted, Alpha Sigma Tau found its way back to Buffalo State with the help of their alumni. Since that time AST has helped the Buffalo State campus as well as the local communities with social service projects such as "Pennies for Poland", "Send A Mouse To College", for the American Cancer Society, and "Love The Children" supporting Buffalo's own Children's Hospital.

DELTA SIGMA THETA

At the inception of Delta Sigma Theta in 1913 at Howard University, the founders envisioned an organization of college women pledged to serious endeavor and community service. These youthful students demonstrated a vital concern for social welfare, academic excellence, and cultural enrichment, de-emphasizing the social side of the sorority life. Their ideas of scholarship and service have withstood the test of time, and today Delta Sigma Theta is a public service organization, dedicated to a program of sharing membership skills and organizational services in the public interest.

Tau Kappa Epsilon (T.K.E.) fraternity tries to uphold the trust and meaning of fraternity: Brotherhood. Besides being a social organization, T.K.E. also sponsors events which benefit the school and the community. In the truest sense, the brothers and little sisters of Tau Kappa Epsilon form a family on the Buffalo State College campus.

The Record

It is customary in yearbook to view what is good. These pictures represent a utopia—smiling laughing faces. Each person and group is portrayed only at his or their best.

Unfortunately, we found that what is pictured in this book and what actually exist at Buffalo State are usually two different things. Smiling faces do not always look so happy.

We at the Record have noticed that it is all too often the unsmiling faces that make the news. Just look at any issue of the Record, or for that matter the Buffalo Evening News, New York Times, or any other newspaper. Unsmiling faces bad news, a typical paper.

What this means we are not exactly sure of. If all people got along, if everyone smiled, if there were no bad news . . . there would still be newspaper, but would the news be interesting?

All we want to point out is that when you are looking at these pictures, stop and think. Ask yourself, is this for a real? If it is, then you have found your own utopia. If it is not, just remember, the struggle between this idealism and reality the fact, the fight between fact and fiction, the endless battle of truth and lie, are continually echoing in the journalists brain . . .

Perhaps now you will pity our staff.

Women's Softball

It was a season of events and victories, many victories. The team first began with fund raisers early in the year — beer blasts at Gabels, bake sales in the Union, team meetings and finally early practices over Easter vacation.

Money raised was used to purchase team jackets with school colors. Unlike the Varsity winter jackets the athletic department supplies, the team felt a summer season jacket would unify the team and pool their abilities to show pride on campus.

Several seniors like Lisa Ann Wind, Tammy Beckman, Ann Korhummel, Jean Peyton, Jean Marie Fiske, and Lori Collins provided many moments of stability and leadership strengths that a coach appreciates and opposing teams despise.

Pitching was a strength that carried them to a defensive advantage. Both veterans,

Patti Collins and Debbie Matos was their "secret weapon" and have been coached by pitching greats.

Players expected to return and carry on the winning traditions are Arlene Losi, Cindy Monaco, Erin Whitten, Sue Hough and Kathy Connors.

Next years teams to beat are Geneseo, Canisius, Brockport, Behrand and Mercyhurst. These teams won this past season and rank at the top of the list to beat for next. The record this season was for the first time above 500% with 11 wins and 10 losses.

The Big Four Tournament which includes Niagara, U.B., Canisius and Bflo. State was held at U.B. The B.S. Bengals turned out to be victorious, bringing home the first place trophy and the title of state Supremacy.

After a successful season state was

invited to the Division III New York State Softball Championship at Herbert H. Lehman College in Bronx, New York. 1982 Participants by seed were Albany, Geneseo, Oswego, Lehman, Mercy, Queens, Bflo. State, Stonybrook and as an alternate Oneonta.

Buffalo State beat Oswego in the first round 5 to 1, Stonybrook in the second round 4-3 and fell to Albany in the finals 4-1. Bringing our season record to 13 wins and 11 losses.

Softball at State is now entering its fifth season as a Varsity sport. Expected to take all softball honors this coming 83 season.

ROW 1: Erin Whitten, Cindy Monaco, Patti Collins, Jean Peyton, Ann Korhummel, Jean Marie Fiske, ROW 2: Arlene Losi, Judy Harpster, Sue Hough, Helen Nikiel, Lori Collins, Debbie Matos, Lisa Ann Wind, Tammy Beckman, and Jean Orr.

Named to the all-tournament team were shortstop Lori Collins, second baseman Lisa Ann Wind and pitcher Patti Collins.

Buffalo State Gains Final In Softball

Special to The News

NEW YORK — The Buffalo State College woman's softball team got so excited Friday it had to win the same game twice but that couldn't stop the Lady Bengals from advancing to the final game of the state AIAW Division III Tournament.

Buffalo State defeated Oswego, 5-1, in the quarterfinal and then edged Stony Brook, 4-3, in the semifinal. The Lady Bengals actually beat Stony Brook twice.

Stony Brook and Buffalo State were tied, 3-3, in the seventh. Buffalo State had the bases loaded when Ann Korhummel walked to force in the winning run. Unfortunately, in the excitement Korhummel forgot to run to first and the run was nullified.

The Lady Bengals won the game in the eighth when Erin Whitten scored on an error by the pitcher. Patti Collins pitched the victory against Stony Brook and also won the contest against Oswego.

Collins tossed a two-hitter to beat Oswego. Lori Collins tallied the winning run in the sixth when she led off with a triple and scored on a single by Lisa Wind. Buffalo State added three more runs in the seventh.

Buffalo State will play Albany today in the final. Eight teams competed in the single-elimination tournament. This is Buffalo State's second season with head coach Helen Nikiel.

Men's and Women's Cross Country

"Polymorphous Perversity."

That was how BSC cross country coach Dave Broad described his men's and women's teams at the BEGINNING of the Fall 1982 season. He said this in anticipation of his harriers being somewhat similar in personality to his past squads. He said this despite the fact that half of his team were newcomers.

Still, he was not disappointed.

One of the things that distinguishes the Buffalo State men's and women's cross country teams is the way they consider themselves ONE TEAM. They have one coach. They run together. They dance together. They party together, and they love it.

One of the reasons the men have more races each season than the women is because most schools do not follow this philosophy. In many cases, the men's coach will refuse to coach the women's team (and the school cannot afford a separate coach), or he will not put any effort into it if he does coach the women. This is not, as it may appear, meant as a judgement on those coaches. It would benefit everyone if they did things differently (the women runners at their schools and ours, not to mention the league itself), but that is as it will be. The point is something completely different.

They just don't know what they are missing.

Coach Broad doesn't coach the women's team because he has to. He does it because he wants to. Buffalo State cross country is more than going to practice and races, running, and going home. It is something of a way of coping (and excelling) in a crazy world: by being even more crazy.

ROW 1: Dave Broad, Wayne Woodburn, Dave Salas. ROW 2: Chris McAuliffe, John Alvarez, Dan Walker, Urs Tobler, Paul Webster, Randy Edgington, Jim Zubler, Mark Looney, Paul Reali, Jerry Mangano.

"Cross country is not a party," Dave Broad says. "It's 40 parties!"

The unity of men, women and coach, very simply, works. The men were 6-2 in dual meets, and took 5th in the SUN-YAC Championships, despite losing all but one of the top seven runners from a year ago. The women were 2-0 in duals and finished third in the Buffalo State Invitational, in a year marked by injuries.

From stories by the fire at College Camp to the overnight at John's parent's house (and sometimes at John's own house), from beer blasting at Gabel's one week to Halloween at Cole's the next week, from "Mother" to "Toxic Hill," from Talent Night to Banquet/2001 Night (and The Awards), from Christmas Party to Mardis Gras party . . . there was no stopping the team.

The 1982-83 version of Lady Bengals at BSC was a young team with a lot of heart. Anchored by seniors Rhonda Wieder and Kathy Keeler, head coach Gail Maloney's fifth year was another winning one.

Other outstanding play was turned in by juniors Cecelie and Lisa White. With those two returning, along with a handful of promising freshmen, like Robin Robinson, Jane Timm, and Diane Ellis, next year just could be the year.

The Intercollegiate Athletic Department's six full time staff members and eleven part-time coaches are responsible for administering the college's twenty varsity sports teams. Under the leadership of Director Howard MacAdam, Associate Directors Gail Maloney (women) and Fred Hartrick (men) coordinate the approximately 300 various athletic contests between the Bengals/Lady Bengals and

their opponents. Each member of the coaching staff is well schooled in the tactics and techniques of sports, the complexities of human relationships, and the best relative degree of emphasis to apply for State's Division III program. The successes of the college's teams and individuals in sport can be traced back to the expertise of this congenial and energetic group.

BUFFALO STATE PUB

About The Pub

The Buffalo State Pub can be considered by campus residents and commuters alike as an energy dot in the Pac-Man of higher education.

Alas, the game is an enjoyable one, because it seems that the same players come to deposit their part-time paychecks, or in the case of many residents, their parental allowance, year after year, to indulge in the vino or the cold and golds.

The onset of the Fall '82 semester brought many changes to the Pub . . . a long-awaited renovation to tidy things up, and to the changing of bottled beer enthusiasts, a lack of brown, green, and clear vessels, due in part to the Pub's foresight in the matter of an upcoming bottle bill in NYS which would raise the prices of the beverage to the student.

If one was to say that time is wasted at the Pub, they would be doing a great injustice to the social register of SUCB.

Where else can you find faculty, students, USG Senators, present, past, and future dates and mates, all living for the moment . . . which regrettably also includes fond reminiscence, and a prehension towards future exams and for some, job interviews.

To lackadaisically quote Simon and Garfunkel, "It's all happening at the zoo."

We do believe it's true.

Can I see some ID please.

Reminiscing!

Editor's Note

This year's Elms was Created by a very small and entire new staff. All spent many long hours especially around deadlines dates, in the yearbook office. I would like to thank them all for their time.

Some very special thank-you's go to: Jamie Fannin, Gary Pelkey, Mr. David Gentile our yearbook representative, Joe Mollo our Elms Advisor, and USG. I want to thank everyone who helped in any way with this yearbook. We hope that in our way, we have provided you with pictorial memories of the past year.
